Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that this Supplemental Information Disclosure Statement be entered and the documents listed on attached Form PTO-1449 be considered by the Examiner and made of record in the present case. Copies of the listed documents required by 37 C.F.R. § 1.98(a)(2) are enclosed for the convenience of the Examiner.

In accordance with 37 C.F.R §§ 1.97(g),(h), this Supplemental Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

A Final Official Action has been received in the present application. However, this Supplemental Information Disclosure Statement is being submitted in an abundance of caution and should be enterable under 37 C.F.R. § 1.97(d) in light of the following information. In the alternative, for completeness and to most fully comply with the duty of disclosure, the enclosed document should be placed in the file in accordance with 37 C.F.R. § 1.97(i).

In accordance with 37 C.F.R. § 1.97(e)(1), Applicants hereby certify that each item of information contained in this Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the present statement. This is evidenced by the August 16, 2004 date of the enclosed European search report, which is less than three months ago.

Certain documents listed on the European search report are already of record in this application and additional copies are not listed or enclosed herewith. The European search report dated August 16, 2004 lists the same and certain additional references to the European search report dated March 05, 2004, a copy of which is attached hereto.

Should any fees under 37 C.F.R. §§ 1.97(d) and 1.17(p) be deemed necessary for any reason relating to this Supplemental Information Disclosure Statement, the Examiner should deduct said fees from Williams, Morgan & Amerson Deposit Account No. 50-0786/4003.005400.

Respectfully submitted,
